horse-back riding, automobile riding, trap shooting, tennis, etc. We have one of the best orchestras to be found in the South, which furnishes three daily concerts and music for dancing in the evenings.

For the past two months we have been over-crowded. Now we have accommodations for about 150 or 200 people and we are very anxious that the people

### THE GREAT TOXAWAY COUNTRY.

Mr. John Wilber Jenkins Thinks That North Carolina Has a Great Resort—Improvements to be Made.

Mr. John Wilber Jenkins, of the staff of The Baltimore Sun, was in the city yesterday on his way home from Lake Toxaway, where he spent a week. Mr. Jenkins was delighted with that beautiful mountain resort and predicts that it will be one of the most interesting places in the country. In talking with an Observer man about the Sapphire country, Mr. Jenkins said: "Mr. J. C. Burrows, manager of the Toxaway Hotel, told me that he could have filled, this month, twice as many rooms as he had. He has had to turn away members of would-be guests. The Toxaway Company has decided to build 100 more rooms to Toxaway Inn, the work to begin as soon as the summer season closes. Great things are planned for the coming winter. It is the purpose of the management to keep Toxaway Inn open all the year. The porch that fronts on the lake will be converted into a large sun parlor, and so soon

as business lets up a little Mr. I. H. Aiken, manager of Toxaway Inn, will travel through the North in the interest of the hotel. He expects to fill the house with winter guests.

"Mr. J. F. Hays, the moving spirit in the Toxaway Company, is thinking seriously of connecting Lake Toxaway and Fairfield, with a electric car line. That would add much to the Sapphire country, I was charmed with the life at Toxaway Inn."—Charlotte Observer.

### Wanamaker Dines Booker T.

Saratoga Dispatch, 13th.

Booker T. Washington's appearance at dinner in the great dining room of the United States Hotel created a mild sensation among the diners. Washington was the guest of John Wanamaker, former Postmaster General, and acted as escort for Mrs. Barclay Warburton, Wanamaker's daughter, while Mr. Wanamaker walked to the table with J. R. E. Roberts.

As they walked down the long line every eye was directed upon the group. Comparatively few of those present recognized any of them, and there was a general buzz of comment and a craning of necks.

### A Hop at Valmont.

Valmont was the scene of a most enjoyable dance on Wednesday night. The double parlors for this occasion were prettily decorated with golden rods and autumn leaves, and the music was furnished by the Fruitland Orchestra. Among the guests at Valmont who enjoyed this affair were Misses Ruth Prichard, Alice Fowler, Corinne Schwaemmle, Loretta Schwaemmle, and Ruby Horres of Mobile, Ala. Miss Annie Lee Blair, of Charlotte, N. C., Mrs. H. James Morosa, the Misses Kennedy, and Messrs. Brown, Hall and Hart of Charleston, S. C., and Mrs. Chris Murphy of Savannah, Ga.

A number of Hendersonville's young men braved the inclement weather to participate in this joyful event. They were as follows:

Messrs Munroe and V. C. V. Shepherd, Frank Israel, Charles and Robert Fickler, Jno. McIntyre, Wilson and Will McCarron, Wilson Allen, Will Potts and Alf. Glazener. Dainty refreshments were served at midnight and the guests departed voting Miss Fayette Gurley a most charming hostess.

### What to Eat in Summer.

The last issue of The Ladies Home Journal contains an excellent article on the subject of "Why we should vary our eating in summer." The writer declares that our bodies are not governed by some mysterious power, but are under our own care, subject to natural laws and perfectly capable of being understood by those who study, think and reason. In hot weather we must eliminate fats, starches and sugar and live on watery vegetables, drinking an abundance of cold water. Ice water is said to be objectionable from a health standpoint. Fatty meats, such as pork, duck and turkey should be cut off in the summer time and small quantities of lean beef, lamb, young chickens and fish substituted. Succulent fruits are good as food for hot weather. Buttermilk is recommended and caution is given against over-eating.—Observer.

Dear Gus:—I have solved the mother-in-law problem; just give her regularly Holston's Rocky Mountain Tea. It will make her healthy, happy and docile as a lamb. 35 cents, Tea or Tablets. Justus Pharmacy.

### Death of a Good Woman.

Louise H. McCall died at her home, of appendicitis, Aug. 22, 1905, aged 16 years, 8 months and 23 days.

She lived a Christian life about ten months. To know her was to love her, for she was a beam of sunshine. True to God and with friends, always at church and Sunday school when possible.

She leaves a father and mother, several sisters and brothers and relatives and friends to mourn their loss. But this loss is only heaven's gain. So we bade them look to God, from whom cometh all help and advise all to prepare to meet her in a better world, to rest forever.

### SPOILED HER BEAUTY.

Harriet Howard, of W. 34th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had Salt Rheum or Eczema for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. 5c at The Justus drug store

## KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

### CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elmore, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 25 to 30 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefited.

whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.
